# Grand Bank Community Park

## Memorial / Recognition Program

# Grand Bank Community Park

Grand Bank is a proud and historic town and its citizens take pride in making it an enjoyable place to live. A new community park in the center of the town will add to that pride!!

The Community Park Committee with your support will create a park that can be enjoyed by citizens of all age and abilities.

The park is as it says...a "Community Park." It will consist of a state-of-the-art playground for children, a green space for all ages to sit and relax, or have a picnic, etc., walking trails, and a gazebo area where public events can be held such as church services, Canada Day celebrations, Remembrance Day services, etc.

Residents of the community are being offered the opportunity to make a contribution towards the community park. Individuals or families can make a donation by purchasing a tree, park bench, picnic table, shrub, etc. and, if so wished, have the purchase made in memory of one's choice. Any item purchased will include a plaque with engraving and installation costs. What a great way of preserving a loves ones memory!!

If you are interested in purchasing any of the items included in this pamphlet, please fill out the attached form and submit with payment at the front desk at the town hall. Items are limited and are on a first come first serve basis. Also, any monetary donation will be gratefully accepted.

Listed are illustrations of trees, park benches, picnic tables, trash/recycle bins, shrubs, bike racks, lamp post, and plaques which may be purchased. All items will be permanently secured. *Please note items may not be exactly as shown.*
